

# TRIANGLE TECH

SPEAKER SERIES  
POWERED BY 

Join us for ***The Impact of AI/ChatGPT/LLM on Business and Diversity*** on Wednesday, October 25 at 4:30PM - 7:00PM EDT.

Convening conversations on where the world is headed.

#### What is the Triangle Tech Speaker Series (TTSS)?

TTSS brings regional experts together on a variety of topics to engage current and future technologists in conversations around the future of technology in the world. This event is FREE of charge.

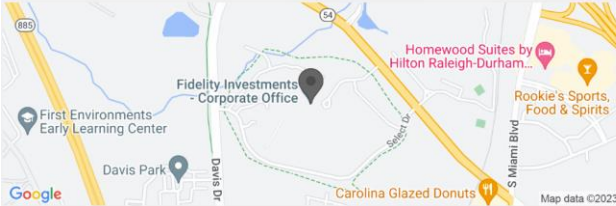

#### What can you expect?

A networking reception with current and future technologists from local universities and organizations, followed by our speaker panel discussion focused on AI/ChatGPT and LLM.
